Summary

This document is a summary of musical content included in the four editions of *Baptist Hymnal* released in 1956, 1975, 1991 and 2008. It is intended to provide a basic reference for future research.

Works Cited

The following documents were used to compile this information

Baptist Hymnal. Convention Press, Nashville, TN, 1956.

Baptist Hymnal. Convention Press, Nashville, TN, 1975.

The Baptist Hymnal. Convention Press, Nashville, TN, 1991.

Ken Barker, Greg Nelson, and Terry Terry. "Final Song List for Pew Editions." Ms. LifeWay Christian Resources, Nashville, TN. 2008.

Compilation Methodology

The song titles from each edition were hand-entered into a spreadsheet and manually cross-checked by two people.

Since the indexes were manually compiled, variations will sometimes appear between the title on the hymn page and the title listed in the index. Wherever possible, the title was taken from the top of the music page and not the index.

Each line of the spreadsheet represents one tune/text combination within a hymnal. If a tune appears a second time within an edition with a new text, it is included on a separate line. Similarly, if a text appears a second time with a different tune, it is on a separate line.

Because of the change in song titling through the different editions, wherever the tune and text were easily identifiable as having a preponderance of commonality, the information was included on the same line in the spreadsheet. In some instances, both the cited tune and title change, but the actual text and music remain the same:

I Will Arise and Go to Jesus (ARISE)	Come, Ye Sinners, Poor and Needy (ARISE)	Come, Ye Sinners, Poor and Needy (RESTORATION)	Come, Ye Sinners, Poor and Needy (RESTORATION)
--------------------------------------	--	--	--

This paper does not attempt to explain or infer meaning on the changes of texts and tune names through the four editions, merely to document them.

Special Notes

One drawback to this compilation is the inability to associate similar texts with different first letters and different tunes. For instance, “Hail, Thou Long-Expected Jesus” (HARWELL) in the 1956 hymnal is identical to “Come, Thou Long-Expected Jesus” (HYFRYDOL) in the other three versions except for the first word and the different tune.

Several 1956 titles do not have hymn tunes listed. In those cases, for consistency, the title was used as the hymn tune rather than omitting a tune name. Also, select 1956 titles are listed with their use instead of their hymn name. “Benediction” is the text “May the Grace of Christ Our Savior,” so that information has been added to the title.

At least one 1956 title “We Give Thee But Thine Own” appears twice in the hymnal with the same name and tune in both places. “Doxology” appears once on its own and once as the last verse of “All People That on Earth Do Dwell.”

Tune names listed reflect those in the most recent edition hymnal. For instance, “My Faith Looks up to Thee” shows the tune name from the 2008 *Baptist Hymnal*, and “Our God Has Made Us One” shows the tune name from 1998’s *The Baptist Hymnal*, etc.

Data Analysis

Within the spreadsheet, several basic statistics are calculated based on the existence or non-existence of data across the four editions. The following data points are calculated through Excel formulas:

- **Total titles in each edition.**
- **Titles that appear in only one edition.**
- **Titles that appear in exactly two editions.**
- **Titles that appear in exactly three editions.**
- **Titles that appear in all four editions.**
- **Titles common to two editions.**
- **Titles unique to one edition.**
- **Titles shared exclusively by each earlier edition and the 2008 edition.**
