WARRIOR TESTIMONY

Mike Smith, Sunday School Specialist
LifeWay Church Resources
Nashville, Tennessee

As a Multiplier, you will want to know about the Sunday School FAITH Summit. The Summit is a one-day event designed to strengthen churches in their Sunday School FAITH Ministries. Participants will be able to choose from multiple breakout sessions that cover a variety of needs related to their Sunday School FAITH ministry. The truth is, even if a church is not implementing FAITH, they would greatly benefit from being a part of a Summit because the nature of the sessions will strengthen Sunday School in general.

Sunday School FAITH Summit times vary according to location. Please visit the Web site for dates and times of upcoming Summits.

Who should attend? We encourage pastors, FAITH directors, Sunday School directors, team leaders and learners, Sunday School leadership, church staff, FAITH leadership, and other leaders to be a part of this strategic and “help-filled” event.

The Summit schedule allows for churches to receive multiple helps all within this one day of training. In many cases, no overnight stay is required. Please encourage the “FAITH family” to make themselves available to the Summit opportunities.
