Personal Growth Adult Discipleship Plan “New Disciple”

Name _____ Year _____

I. My Discipleship Assignment

My journey as a follower of Christ began the moment I trusted Christ as Savior and Lord. From that point until I die or Christ returns, my goal is to grow in Christlikeness. Jesus states the primary requirement for that growth assignment in Mark 8:34, “If anyone wants to be My follower, he must deny himself, take up his cross, and follow Me.” He later commissions every disciple to be a disciple maker, “Go, therefore, and make disciples of all nations...” (Matthew 28:19). Accomplishing such a challenging assignment requires growing in my understanding of who I am and who I am becoming in Christ (**being**), expanding my knowledge of biblical truth (**knowing**), and applying daily what I learn (**doing**). In a way these three elements form a **discipleship equation** for my new life in Christ;

being + knowing + doing = Growth in Christlikeness

To be like Christ I must grow in my understanding and application of each element of this equation. I understand that my efforts do not change me. Disciples becoming more like Christ remains God’s exclusive activity. I trust His Spirit to continue my transformation as I obediently follow Him.

II. My Discipleship Growth Plan

To help me in this understanding and application I plan this year to intentionally focus on six key spiritual disciplines. The following actions comprise my plan for this year:

1. To grow in the discipline of **abiding in Christ** I will
 - a. Learn more about my identity in Christ.
 - b. Learn how to have a quiet time and regularly practice it.
 - c. Participate regularly in corporate worship.

2. To grow in the discipline of **living by God’s Word** I will
 - a. Learn to study the Bible and read my Bible regularly.
 - b. Apply biblical truth to my life actions each day.
3. To grow in the discipline of **praying in faith** I will
 - a. Learn to pray biblically and pray daily.
 - b. Join others in prayer.
4. To grow in the discipline of **building godly relationships** I will
 - a. Participate in an ongoing small group Bible study.
 - b. Participate in ongoing or short-term discipleship studies.
5. To grow in the discipline of **witnessing to the world** I will
 - a. Learn to share my personal testimony.
 - b. Share my testimony as God gives me opportunity.
6. To grow in the discipline of **ministering to others** I will
 - a. Identify my spiritual gifts, interests, and natural abilities.
 - b. Use my gifts, interests, and natural abilities to minister in my church and community.

III. My Accountability Covenant

I expect an assigned mentor to guide me through this plan, to pray for me, to challenge me to stay faithful and focused, and to encourage my growth in Christ.
