

## TeamKID: Step Out - The Courage to Do What's Right

Children today need to have the courage to live in the world as God wants them to live. TeamKID: Step Out - The Courage to Do What's Right brings children the stories in the Bible that will help them develop that courage. Presented in chronological order, the stories show children the scope of the Bible. Using fun activities and Bible material, children can apply the Bible verses they learn to know how to have the courage to live as the Bible tells them to live.
