

Case Study 1

This past week two families visited your church for the first time. Both of the families have children in your department. What would you do to minister to these families?

Case Study 2

A new neighborhood is being built 2 miles from your church. What will you do to minister to the people moving into the community?

Case Study 3

Your church just has held a neighborhood picnic. Many unchurched families attended. What will you do to “go after” these families to enroll them in Sunday School?

Case Study 4

Your community now includes international people groups. What can your church do to reach these people groups for Sunday School?
