Share Your Plans with God

Do you have any plans about special things you would like to do? Make a list of the things you want to do.

Pray and ask God to help you decide which things you need to do and which things you need to forget. Then ask God to help you do the things He wants for your life.

Decisions, Decisions

Every day you have choices to make. Some choices are more difficult than others. You make choices about food, clothes, and what to do in difficult situations. It is great to know that someone cares about the little decisions and the big decisions. God wants to hear about all your problems. He will help you decide just like He helped Gideon. God is your best Friend, and He is ready to guide you in your decisions.

Look at the list of plans you made on the other side of the page. Write a prayer to God telling Him about all the things you listed.
