LifeWay's

Levels of Biblical Learning

At LifeWay, we work hard to know kids. We take

time to understand how they play and how they learn.

And we know you need resources you can count on to connect kids to God's Word—leading them toward knowing Christ and growing in relationship with Him. That's why LifeWay Kids promises to offer foundational resources that are biblically sound, age appropriate, fun and easy to use. All of the resources we offer are built on the information in this document called *LifeWay's Levels of Biblical Learning*. This simple but important ministry tool was developed by experts to provide you with visible milestones as you guide kids in their spiritual growth. It provides teachers, parents, and ministers of preschoolers and children with milestones related to biblical knowledge, skills,

and attitudes at the designated levels from birth

through preteens. *Levels of Biblical Learning* gives a coordinated approach from birth through preteens by using ten concept areas—God, Jesus, the Bible, Creation, Family, Self, Church, Community & World, Holy Spirit, and Salvation. In developing *Levels of Biblical Learning*, we had four basic assumptions.

1 The Bible as Our Textbook—The Bible is the basis for everything taught in Bible study settings. Bible content is also the basis for the development of all teaching procedures.

2 The Child as Learner—Preschoolers and children are the focus of our teaching. Their understanding, needs, and interests are important considerations in determining how to approach Bible content. Bible study resources must touch the head, the heart, and the hands (body) of the child to create life-changing experiences.

3 The Teacher as Guide—The teacher, whether teaching in an open or closed group Bible study, must focus on the five functions of the church—evangelism, discipleship, ministry, fellowship, and worship. The teacher must provide activities that will involve children in learning, will guide children to correct information, and will share the biblical revelation. In addition to teaching Bible truths, teachers must live out the biblical message in front of children and parents.

4 Parents as Primary Teachers—The primary responsibility for religious instruction of preschoolers and children belongs to parents. The Holy Spirit works through Christian parents as they teach biblical truths in word and action. The church and its ministries must assist and support parents as spiritual leaders by training them and teaching their children.

The ten concept areas offer a broad biblical framework for guiding parents, teachers, and LifeWay curriculum developers in teaching children from birth through sixth grade. It is important to see the correlation and connectivity of the concept areas. Teaching about God and Jesus in the early years play an important role in helping the child understand salvation later in life. The concept areas provide a biblical framework for laying a foundation that becomes the pathway to conversion, spiritual growth, and a biblical worldview. Eight of the concepts are foundational/prerequisite to the more advanced concepts of Holy Spirit and Salvation which are distinctive to first through sixth grade.

As you read the chart, it is good to remember that:

- **Although children develop spiritually in similar ways, the rate of that development will vary.** Some children may understand concepts at an earlier or later age than indicated on the chart.
- **Certain concepts are introduced later** when that concept and content are more useful and meaningful to the child.
- **While God nor His attributes change, a child's level of understanding and vocabulary does change.** It is important to see that small nuances in words and slight changes in concepts are significant in the mind of a growing child. From an adult's perspective, it may seem minor, but these small steps are important for the child's understanding.
- **When teaching or developing resources for broad-age groupings of children, concepts may be combined or adapted** to meet the needs of the group.

We hope you'll find this ministry tool helpful. The *Levels of Biblical Learning* are another reason why you'll find that year after year, LifeWay Kids is the choice you can trust.

Adapted from the original introduction to the *Levels of Biblical Learning* written by Thomas L. Sanders. Thomas L. Sanders is Director of the Master of Arts in Christian Education: Childhood Ministry, Gary Cook Graduate School of Leadership at Dallas Baptist University.

The following information will help you see how the concept areas of *Biblical Learning* can relate to individual sessions and specific activities in preschool and children's curriculum materials.

Age - Group	Babies-2s	3s-Pre-K	Kindergarten	Grades 1-2	Grades 3-4	Preteen
Concept Area: God	God cares for me.	God cares for people.	God cares and provides for people.	God has concern and care for all people.	God has concern and care for all people.	God's care and concern exists regardless of people's circumstances.
Bible Passage and Story	1 Kings 17:7-16 God Helped Elijah	1 Kings 17:1-16 God Helped Elijah	1 Kings 17:1-16 God Helped Elijah	1 Kings 17:1-16 God Helped Elijah	1 Kings 17:1-16 God Helped Elijah	1 Kings 17:1-16 God Helped Elijah
Bible Truth	God gives me what I need.	God gives me what I need.	God gives me what I need.	God provides for His people.	God provides for His people.	God provides for His people.
Life Application	Babies-twos will learn that God gives them what they need.	Threes-pre-kindergartners will learn that God gives them what they need.	I can learn that God knows what I need.	I can trust God to provide for me each day.	I can trust God to provide for me each day.	I can trust God to provide for me each day.
Bible-Learning Experience	BIBLE STORY PLUS: Invite twos near you to sit in a circle on the floor. Give each a small paper cup. Walk around the circle pouring a small amount of water into each cup. Say: "God cares for you. God gives us water to drink when we are thirsty." Say a brief thank-you prayer for the water. Introduce and tell the Bible story. Sing the song "God Gives Food to Us." Play a guessing game, describing food and other items familiar to children.	HOMELIVING: "Play Restaurant" Provide props for 3s-pre-kindergartners to use as they play out the roles of cooks, servers, hostesses, and patrons. Without interrupting their play, look for opportunities to comment naturally: "Thank You, God, for giving us good food to eat. This makes me think of Elijah. God cared for him and helped him find food to eat. In the Bible we read, 'God is good to us.'"	DRAMATIC PLAY: "Make Bread" When kindergartners come to the dramatic play center, explain that today they are going to help make bread. Ask one of them to open the Bible to the marked verse, <i>God will always love me</i> . Help them "read" the verse. Briefly tell today's Bible story. Say: "The woman made bread for Elijah. We are going to make bread, too." Talk about other ways God took care of Elijah. Guide children to make bread, using refrigerated bread dough. As children eat the baked bread, read pages 7-8 of the book <i>I Can Choose</i> .	PERSONALIZE Choice 1: "How Does God Show Care?" Mobiles Girls and boys will work an activity in the learner guide to identify ways God has concern and care for all people. They will identify in a picture the items that show God's care for them. They will use a compass activity to learn the words of 1 Peter 5:9, <i>He cares for you</i> . Teachers will guide children to think about their needs. The children will draw pictures of ways God cares for them and attach those pictures to a mobile on which teachers have taped the words of the memory verse.	PERSONALIZE Choice 2: "Thank-You Cube" Boys and girls will work an activity in the learner guide to help them think about ways God has concern and care for all people. The examples involve children in everyday situations needing God's care. Then children will play a game in which they name ways God provides and cares for them. (Use the letters of the alphabet to begin each way.) With a cube pattern from the leader pack, children will make their own "Thank-You Cube" to identify ways God has cared for them and to thank God for His care and provision.	EXPRESS YOURSELF Choice 2: "God Will Meet My Needs" Radio Commercial Preteens will begin by using the learner guide to distinguish between some of their wants and needs as they work to learn that God's care and concern exist in spite of people's circumstances. Then they will look at the memory verse, <i>Philippians 4:19</i> . They will look at needs of preteens in general and will write a radio commercial script that identifies some needs that may not be common to all preteens, but are circumstances in which today's preteens need God's care. Preteens are encouraged to use the memory verse as part of their "hook" line at the end of the commercials.

Talking to Children About Salvation

When talking to a child about salvation:

- * **Ask follow-up questions.** When a child asks a question, often he does not know exactly what to ask. Get clarification before deciding how to answer a question. For example, you might say, "Tell me more about what you are thinking," or "What made you ask that question? Where did you hear about this?" Remember, many times the question a child asks may not be the actual question for which he is needing an answer. Avoid asking questions that can be answered with "yes" or "no."
- * **Avoid giving more information than a child needs.** Adults can be tempted to tell all they know on a subject. When a child asks a question, only answer what the child is asking. If a child asks for more information, be more specific with your answers.
- * **Don't jump to conclusions.** A child may ask, "Why did Andy get baptized?" This question may be only a request for information, not a request for the gospel presentation.
- * **Speak in clear terms.** Avoid symbolic analogies that may distract from discussion and understanding.
- * **Use simple wording.** Rather than using the phrase "accepting Jesus into your heart," say the words "becoming a Christian."

Steps in talking with a child about God's plan for salvation:

1. **God loves you and has a great plan for you (Psalm 139:13-16).** Talk about these truths: God made the world, God made people, God made you, God wants to have a relationship with people, and God wants to have a relationship with you. Say, "Tell me one way you know God loves you."
2. **We have all sinned (Romans 3:23).** Everyone must understand that he is separated from God. Sin is best understood as choosing to do things our way instead of God's way. (Give some examples of sin such as disobedience, ungratefulness, untruthfulness, etc.) Then ask the child: "Have you sinned? What does God think about sin?" Point out that everyone has sinned.
3. **Even though we choose to sin, God still loves us and offers to forgive us (Romans 5:8).** Ask, "How do you think it makes God feel when you sin?" Focus on the fact that God loves the child even when he sins. Say: "God promised that one day a Savior would come and not sin and would die for all people. Do you know who that Savior is? Did you know that He died for you?"
4. **Jesus died for us (John 3:16).** Talk about John 3:16 and explain that because sin separates people from God, everyone needs a Savior. Ask, "Do you know why Jesus died?" Say, "Jesus loved you so much. He willingly died for you, so you could be with God forever." If the child is old enough to understand the resurrection, say, "Jesus rose from the dead, so we could have eternal life."
5. **You can become a Christian by confessing that Jesus is your Savior and Lord (Romans 10:9).**
Ask, "Would you like to be a Christian?" State that the word *confess* means to say that Jesus is your Savior and that you must:
 - A**dmit you have sinned
 - B**elieve that Jesus is God's Son
 - C**onfess that Jesus is Savior and Lord
6. **Review and follow up.** Encourage a child to tell you in his own words what he understands and believes. Either ask the child to repeat a prayer after you or help the child know what to say in his prayer. After the prayer, read Romans 10:13 and remind him that this verse is a promise. Jesus will be his Savior forever.

About Baptism:

- * **Always make distinctions between baptism and becoming a Christian.** Point out that becoming a Christian comes first, and then baptism follows because it is a way of showing he has become a Christian.
- * **Avoid emphasizing the emotional side of the baptism experience.** Keep in mind that public recognition should not become a motivating factor for making a decision.

Salvation

Grades 1–2

Grades 3–4

Preteen

God provided a way for people to become Christians because He loves them.

God provided a plan of salvation because He loves me.

God had a plan for salvation before the beginning of time because He loves me unconditionally.

The Bible tells that Jesus came to earth because God loves everyone.

The Bible tells of God's plan of salvation.

The Bible tells me God sent Jesus, so I can have a personal relationship with God.

God sent His only Son, Jesus, to be the one and only Savior of the world.

Jesus willingly died to provide salvation. Jesus' death and resurrection make my forgiveness possible.

Salvation is a gift from God.

God is displeased when people choose to do what they want rather than what God wants.

Sin is choosing my way instead of God's way. Sin separates people from God. People can choose to accept or to reject Jesus as Savior and Lord.

Without a Savior, the punishment for sin is eternal death and hell.

When people choose to displease God, there are consequences.

Jesus died to pay the penalty for my sins.

Jesus took the punishment for everyone's sin.

God helps me know when it's time to become a Christian.

When the Holy Spirit convicts me of my sin, I can trust Jesus as my personal Savior.

God will forgive me if I ask Him.

Salvation is admitting sin, repenting of sin, believing that Jesus died and God raised Him from the dead, and confessing Jesus as personal Savior.

Christians can know that Jesus will be their personal Savior forever.

People become Christians by accepting Jesus as their Savior and Lord.

I need and can accept God's salvation.

I can understand I need a personal and growing relationship with Jesus. I can experience joy when I recognize God is at work in my life and in the lives of other people.
